November

Hello November!

As we welcome November, we are sure to be welcoming colder weather. Please remember to dress your child appropriately for the weather. We will be going outside for recess unless the temperature is under 32 degrees. Now is also a good time to switch your child's extra clothes bag to pants and long sleeves. If inclement weather strikes, we will follow the lead of EVSC. If EVSC calls for a 2-hour delay, Trinity will be closed for the day since our academic part of the day is in the morning.

To check if school is cancelled, please check our Facebook page @tlpreschool or Channel 14. A message will also be sent out to parents on Sandbox notifying them of the closure.

As we prepare for our Christmas Program, we ask that you fill out the RSVP attached to this newsletter. This helps our school board plan for the reception following the program. There is currently no limit on the number of guests that may join. Thank you!

We will be hosting our second Fun Friday of the year on Friday November 18. Please make sure your child wears his/her Trinity T-shirt.

River City Language & Literacy will be visiting on Monday November 14 at 9:15 AM. If you would like a **free** speech evaluation, please return the attached permission slip. The initial evaluation is provided at no cost to our families. Any follow up visits will be between parents and RCLL.

WREATH FUNDRAISER

This month, we will be doing our annual wreath fundraiser. We will be selling wreaths through Evergreen Industries. Wreaths range from \$30-\$38. The wreaths come from Minnesota, and they look beautiful every year.

You may begin collecting orders on Nov. 1. All orders must be submitted by Nov. 14 by 9 AM to guarantee delivery by the beginning of December. Orders turned in after 9 AM will not be able to be submitted. Additional order forms can be found in the school office.

CLASSROOM NEWS

WHAT'S HAPPENING THIS MONTH

Jr. Preschool

What a beautiful Fall God has given us all! I'm so thankful for all His wonderful blessings, which include your precious children!

They are learning so much, & it blesses my heart every day! During the month of November, we will be emphasizing the color green, the number 3, and the triangle, along with various Fall things. We will continue with our counting to 12 and reviewing our shapes & letters. We are also working on following instructions.

We will focus on giving thanks! It's so important to teach their young hearts and minds to be thankful, even at their young age. We will do a lot of Thanksgiving crafts & enjoy spending our precious time together. Thank you for entrusting them to our care.

Preschool

November is a time to focus on what we're thankful for. I'm so thankful that you give me the opportunity to teach your children. They are blessings in my life!

This month we're going to focus on the blessings God has given us and being thankful. I will be sending home paper leaves for you as a family to write a few things you are thankful for. We will be hanging them on our thankful tree. Now that we are able to recognize our name and write the first letter, we will be spending a lot of time tracing and writing our name the next few months. We will also be working on cutting on a straight line. As always, please continue to read my weekly newsletter that is sent via Sandbox almost every Monday afternoon. There will be important information included. Have a great November and a blessed Thanksgiving

Pre-K

Thank you to all parents that helped with items for our Harvest Party.

Our class will be learning about community helpers this month as well as talking about all the things we are thankful for. God has blessed us with so many wonderful things!

We are going to be working hard on learning the songs for our Christmas program this month.

Watch folders towards the end of the month for a fun Turkey "homework"

Book Orders are due November 15. This will be our last book order of 2022.
